Dear Mirjana,

Our family would like you to know how much we appreciate Mira.

The care she gave Mom was exceptional. Mira often sacrificed her free time to insure that Claire was always cared for in a proper way. She was very firm about that, always looking out for Mom. Claire looked radiantly healthy even in her last days. Her physicians would always remark on how good she looked, and that was because of Mira. She cooked and fed Claire good things and cared for her better than we could have. Mira is a very devoted person.

Throughout the years a close relationship developed between Mom and Mira and with all of us as well. It was very obvious to the outside world how much Mom and Mira loved each other. The loss of Claire was profound for her as it was for our family. Mira was like one of us, a member of our family. I will personally miss our weekly lunches.

Mira was such a blessing in Mom's life and I would like to thank you for bringing her to us. She is a very special person.

Sincerely
