

Dear Mirjana

December 2011

I want to take this opportunity to
thank you and your staff a really happy
and pleasant New Year.

I also want to thank you for
sending Anna-Franca to me. She came
to me at a time when I was ill
and feeling very tired. She has been and
is one of the most caring, nurturing
people I have ever met. Her warm
smile and her warm and friendly
nature and care are the best side since
me continues to add sunshine to my
days.

Yours ever gratefully

Thank you so very much.

Sincerely

David J. Goldman

May the Lord bless you
with peace,

all through
the coming year.
