

Dear Virginia and Staff, 3-19-09

Along life's journey we meet many people. At our time of need, God helps us find very special people. You and your staff are just such people. The last three years of my mother's life was made most happy by you, Robert, especially Jackie, Raymond, Judy, Maude, Michele, Florence, Yolande, Nancy, and all the others.

It was a great relief for me to know Mother received excellent care 24/7. I plan to stop by the office and visit soon.

Sincerely,
Virginia for Jerry Finkle

Thank
You
