Dear Miriyana

I'm writing to you
to thank you for your services
and for sending a health care
person who is great. Mariella
started with me on the first
day home from the hospital and
made me feel very comfortable
as if we had been together for
awhile. Mariella helped me with
my showers + getting dressed and
what ever had to be done in my
home. It was as if she was
reading my mind, never did I
have to ask her to do something,
because she knew what to do
and did it. I'm sure it was
also from the training from
Premier Care. I also want to
give her credit for always being
on time for our appointments.

Respectfully yours,
Anna Katz
