

Dear Carmell

I am so grateful to have you to take care of my daughter. Out of all the other nurses and aide you have a warm personality. Don't get me wrong I have had a few other nice but one. But I think Kendra like you and Ann. I prayed that God will send someone that Kendra will be please with. She has her moment. So far I never seen her smile and open up to you and Ann. One thing I do know is that she doesn't want me to talk to you all that much, because I see the jealousy point in her. Thank you guys for your support that you have shown me. So don't think that I am acting funny if I just speak and don't talk much. Because I want to keep everything smooth as can be. May God Bless you and your Love Ones. Continue to pray that Kendra will let God come into her heart

Love Regina
