

**PLEASE OBSERVE THE "ENJOY BY" DATE**

stamped on each product – they won't be yummy after that date! The sooner you enjoy them, the better. If you don't eat all your goodies right away, keep brownies and cookies in an airtight container and put cakes in the refrigerator. Best served at room temperature. Enjoy!

We DO NOT use preservatives. Our all-natural products are baked from scratch with the finest ingredients, our best ideas and **nothing artificial.**

Merry Christmas to Mirjana, Raymond, Judy and everyone else at PCN who do so much for my mother everyday.

Thank you so much..
