

Your kind expression of sympathy

is gratefully acknowledged

and deeply appreciated

Dear everyone in the same case,
I just wanted to write to
all of you and tell you
how wonderful your company
was to my mother, Lillian
Weinberg. Over the years you
always provided wonderful
care-givers. The nicest
people always went to
my mother.

You treated her with
Dignity and respect.

On behalf of my mother
and family we will
always be grateful.

Best Regards,

Myra Weiss
