Dear Mirjana,

On behalf of the family of Bernice Greenberg I want to thank you & your staff for the attention we all received. We always felt Michelle & The would handle our needs promptly & well. Lilla Shridim was with Bernice for almost five years & she was caring & reliable & attentive to her needs & handled her personality very well. More recently Dyacint & Leucombe & Judith Weston reliably filled in the team & gave excellent service and the family at a distance thru Ho.

women gave us the comfort that Bernice was well cared for. I wish to commend these people and recommend them to future clients. Please note how pleased we have been with Lilla, Dyacint & Judith.

With all good wishes to all.

Susan Greenberg
