

yourself. Be good
to yourself. You are
an amazing woman!

Love you
loads -

Vesna -

I don't know if
there are strong enough
words to express my
gratitude & love for all
you did for my folks.

Your personality, your
compassion & your loving,
touch made my parents'
final years so much
sweeter. For me, you
were my special angel &
I will always smile
when I am reminded of
the times we shared.

Take care of
